OUR MAIL OVERFLOWETH

GAME NIGHT

Sometimes, the best experiences can emerge in unexpected ways. I was hanging out at my best friend, Shannon's, house when it happened. When we first met, she was the nerdy kid with glasses, and I was the boy who was never quite good enough to make the team. Over the years, I watched Shannon grow into a quiet librarian who seemed to always spook guys away with her mind, while I jumped around food service and retail jobs to rise on my way to mid-level management. We'd been there for each other in almost every way imaginable, through the highs and lows in life, but we'd never seen each other as more than best friends.

The storm changed that.

When the power went out, we started fishing around the house for something to do before she emerged from a closet with an old board game. We lit some candles, and soon, she was kicking my ass. It didn't take long for me to run out of money, but without knowing when the power might turn back on, she made me a deal: I could get $500 in the game for my shirt. I played along, and within a few more turns, it was another $200 for each of my socks, then $1,000 for my pants.

So, I was there, sitting in just my underwear, my best friend gloating in the candlelight and asking me what I'd do if I lost again. I asked what she'd give me for my underwear.

"A blowjob."

Her answer was so matter of fact and conversational that I didn't really think she'd said it. But then her foot started to reach up my leg under the table. We'd never really seen each other that way, never really considered it. And in that moment, I did.

Shannon was about 5' 8", with shoulder length honey blonde hair. She still wore glasses, which framed her round face well, and she had a glint in her eye that told me that she was making an actual move.

I couldn't cheat, so I played out the game, losing my last $1,000 as fast as I could before looking back at her. I reminded her about promises before tossing my boxers across the table at her. She smiled wickedly and came around the table, where I turned in my chair, naked and trembling.

She toyed with me first, letting her hands dance around my legs and chest, everywhere except where I most desperately wanted them. My dick grew from the tease and eventually Shannon lowered her mouth to the tip, which was already glistening in the candlelight with precum.

I let myself fall back in the chair, not daring to go any more than she was willing, but desperately wanting to. She lowered her mouth down and I couldn't help starting to thrust deep into her throat. Shannon gagged but held on and let her tongue move around my long shaft.

She learned her way in, but I could feel her desire, her longing. I was able to slide my cock deeper down

The Case for Boobies--

Of all the chicks I've fucked, I gotta admit that I find the big breasted ladies to be some of the hottest, Like Natasha, your cover girl. I wish I knew why because I would bottle it and sell it and make a ton of money. And what's odd, I'm not a big boobie fan. I like all types, but those with boobs bigger than DD are always hot fucks. I think it's because they are not afraid to touch and play with them, lick their own nipples, etc. If you ever have a chance to fuck a one, do it. It will be an experience you'll always remember. They will fuck your brains out every fucking time.

free xxx videos every month at freemegamovies.com

her throat, and it almost felt like she was greedily swallowing it. Her passion was contagious because I finally pulled her up and kissed her hard on the lips. We moved to the couch, making out and ripping her clothes off as fast as we could before I tossed her down and lowered myself on top of her, my dick teasing her naked pussy. I let one hand start playing with her breasts, firm and perky, full of desire and longing, while the other reached up and gently brushed her face. We spoke with our eyes, a language long developed and never wrong. And once I got the signal, I let my dick slide slowly into her flower, watching her throw her head back and moan into the darkness.

It was like our first times all over again, the way they were meant to be. Right away, we had a natural rhythm, our hips moving in unison, her pussy swallowing my thrusting cock deep inside her. I took my time, savoring the moment I'd never considered. My balls slapped her taint, and she held my hips, keeping me inside as though I'd get away.

Eventually, she drew up strength I didn't know she had and flipped me on my back, never letting me slip out. We made out as she rode me, lifting herself almost all the way off and slamming back harder and faster with each thrust. I watched in amazement, the dim candlelight reflecting off her smooth skin, her breasts bouncing on her chest, and her head thrown back in pure ecstasy as I let myself go, shooting so much hot juice that it was trickling down my dick. And even then, I felt like I still had more. We shared a shower and a bed that night and haven't slept apart since. Sometimes, the most amazing experience is in the most unlikely of places.

– Joel C., Atlanta

MY COCK IS READY

Robin was 24 and as pretty as they come, and she knew it, too. My name's Joel and I'm 22 with nice hair, blue eyes and just finished collegeher in Atlanta. I'm back home for the summer and found Robin there. She was visiting my sister from Dallas. They worked together a few years ago here in the city. She has that cute Texas drawl on top of all they. Yep, they sure do grow 'em pretty there in Texas.

It had been so hot that I'd been spending my days at the pool. The two girls would spend the days shopping or lunching. Always finding a reason to leave the house. Too bad she didn't come to the pool, I'd love to see her in a bikini, or better, yet sunbathing topless at the pool. She would kinda flirt with me, but it was nothing serious, just trying to make her friend's younger brother horny, I thought. Today is another hot Thursday. Humid with no relief in sight. My sister has to go help mom with some things at her antique store so it's me and Rhonda at the house for a while.

I'm sitting on the patio when I hear her open the screen door behind me. "Hiiiiiii Jooooel." she sings out. Without looking back I sing back, "Heeeey Rhondaaaa." "Whatcha doin'?" she says as she walk over to my chair. "Nuthing." I tell her. She saunters up to me, and I see her in a hot pink bikini that ties in the back and the bottom ties on the side. She looked fuckin' hot. No, make that sizzlin' hot.

"I'm gonna jump in. Wanna come?" Hell yeah, I thought to myself but just said "Sure." "Come on. I see you're already in your trunks." she said. She grabbed my hand, pulled be out of my chair and headed for the pool. I followed behind her, my eyes on that ass.

I was ready to dive in, but waited. I wasn't going in unless she went in first. She stopped by the edge of the pool and told me to dive in first. I did, swam around a little bit and came back up a few feet from her and swam back around to the shallow end of the pool. I started to climb up the steps out of the pool and I saw her eyes go wide. "What?" I said.

"Uh…Joel…" she said giggling and pointed at my trunks. They had slipped down and I hadn't noticed, but she did. Her eyes glued to my stuff down below. Now I realized it and swung around, allowing her to see my nice firm ass while I quickly pulled my trunks back up. I apologized. She smiled as she said "It's okay. Honestly, no problem."

We just stared at each other for a moment, then she said "You won't mind if I take my top off, will you?" We

both swam around and talked while we did. We started feeling a little water-logged and she suggested we go inside and get some drinks to cool off. I agreed and we jumped out of the pool toweling off before going in. I held the door for her and we headed into the kitchen. I got a couple beers out of the fridge and turn to hand one to her. She was standing next to the island. "I gotta get out of this wet bottom." she said. She pushed them down. Yes, she shaved too. Her pussy looked awesome. Clean shaven; she looked tight. Before I could even get a dirty thought into my mind I heard her say, "You should

I closed my eyes and stroked her hair and wallowing in the excitement of being given a blow job by a gorgeous woman. I was so into my pleasure that when I opened my eyes I noticed that she was playing with herself as she sucked me.

get out of those wet trunks, too." I handed her the brew and pulled my trunks down, letting them fall to a wet lump at my feet. She put both hands on the island top and jumped up a little, firmly planting her butt on the top. "My pussy's hot." she said. I couldn't believe it as she took the beer can and put it between her legs to "cool" it off.

"Don't just stand there, get down there." she said as she took the can away and opened her legs just a bit more invitingly to me. Then I put my tongue inside the coolness of her pussy. I heard her moaning as her body shifted numerous times, each time causing her to come closer and closer to having an orgasm. I licked and licked her. Deeper and deeper, all around her sweet smelling pussy, my tongue and lips dug. She cried out some more as I did it. This was awesome. She was spectacular, to say the very least. I licked more and more as my tongue found the soft insides of her pussy. I really went at it, licking and licking, digging and digging, and tasting what had to be best looking and tasting pussy I had ever eaten. She clenched her legs around my head as she came in waves of hip bucking and pelvis thrusting. I grabbed onto the sides of the island so I wouldn't get thrown off. She subsided and eventually relaxed her grip on me.

'Is your cock ready for me." she asked. And before I could answer, she slinked off the counter top and onto her knees right in front of me. She grabbed my cock and started to lick it, slowly to begin with, before letting out a soft moan and opening her mouth wide and taking its full length into her mouth. I closed my eyes and stroked her hair and wallowing in the excitement of being given a blow job by a gorgeous woman. I was so into my pleasure that when I opened my eyes I noticed that she was playing with herself as she sucked me. Seeing this just turned me on further. I pulled her up, planting a big kiss on her lips before turning her around and bending her down to rest her chest on the island. I steered my cock towards her pussy, rubbing it around the moist edges for a few seconds as she let out another soft moan.

She then reached back and grasped her buttocks, opening her wet hole wide. I thrust my full length deep inside her. It felt so good, I nearly exploded on the spot, but I managed to regain my composure and with my hands firmly holding her hips, began to fuck her, first with long slow movements and then faster, shorter strokes. I felt her body begin to shake again and by now I too was bursting to come and quickly pulled her around. She dropped to her knees and opened her mouth wide as I shot my load, covering her face as she greedily gulped my warm cum down her throat. She stood up and took a swig of the beer to wash it all down.

We stood there looking at each other and I said "Wanna go for a swim?" She nodded and I grabbed her hand and we ran out of the house, across the patio and dove into the pool. After some time we got out, nuzzled each other and went into the house to clean up before my sister or mother got home.

THEN KIZMET STRUCK

Being a divorced father, it's hard to survive in the dating world. For the most part, I keep to myself. My name is Dean – and I just got another erection. Oh yeah, that's just about all I think about. Women and sex. I have all the time in the world and none of the above. I tried bars, clubs, dating sites, the office pussy pool, and more. No luck anywhere for me.

After eight months, I had to do something. I had to get laid. Then kizmet struck. I was in the supermarket, in the fruit and veggie section selecting some figs. Standing nearby was a pretty lady fingering organic English cucumbers. She was looking kinda frustrated by the selection. Then right out of the blue, my mouth says, "Sometimes the good ones just aren't there." She looked over at me and gave me a quizzical smile. I quickly apologized for the double entendre and she laughed. I looked away and a moment later she said, "I've always wanted to try figs, but didn't have the courage. Aren't they kinda weird to eat?" I looked around to be sure she was talking to me, and then said, "Not if you eat them the right way." Again I blushed because of a second double. She laughed out loud that time. I tried to recover, quickly by saying something even more arcane. "the best way to describe it that I know was in a scene in Ken Russell's 1969 film Women in Love where Alan Bates describes eating a fig like eating a..." I stopped myself before I said it. "A woman." she said. Once again I blushed and turned shy.

"Oh, that's okay." she said. "I'm a huge Ken Russell fan. I'm surprised I didn't think of that before I asked. Hi, I'm Lainie." she said introducing herself. "Nice to meet you. I'm Dean." Spotting an in-store coffee cafe over her shoulder, again my mouth took over. "Could I interest you in a cup of coffee and we could discuss his films. I too am a huge fan. "That'd be nice." she says.

Lainie is now at my flat and sitting on my sofa as I bring in a couple glasses of wine. We share an awkward kiss and my mouth starts to talk again. "Shut up," she hissed, kissing me more intently this time using her tongue swirling it around mine and sucking on it gently and lovingly. I became more bold and reached under her t-shirt and began massaging her left breast.

Not pushing me away, I became more confident and gently pinched her nipple between my index and thumb as she purred to the touch. I took off her top and grabbed her exposed breasts. She took off my shirt and I unzipped her pants and pulled them off. I kissed from her neck to her chest to her stomach to her lady mound of perfectly coiffed pubic hair.

I gently licked her pussy through her thong, then lifted her legs and pulled off her thong revealing her treasure. I lock her thighs around my head as I slowly make my first lick on her bare pussy. I made a few licks on her labia then spread them apart with my fingers then licked within her pussy and she held tight to my head and squeezed my hair as I tongue fucked her to a mini-orgasm. After her body stopped shaking and she settled down from her orgasm.

She kissed me once more then held my thighs as she slowly licked her way down to my member. She stared at it inquisitively then slowly grabbed it causing it to throb. She started pumping my shaft like earlier, although this time she had her soft luscious lips around my cock head and sucked the skin over the head she was sucking so hard. I was amazed at the feelings I was having. It was heaven, this being my first blow job in more than eight months.

She picked up speed then I closed my eyes hard, and tensed my whole body up then exploded my first rope of thick, hot cum into her mouth. I unloaded what seemed like a pint of cum into her mouth and she swallowed it all. I got up and went to the kitchen and brought back some figs. I took one, held it out, smiled, looked at her and said. "This is how you eat one."

My two girlfriends and I rented this summer house for a week in Florida looking forward to some relaxing days and party nights. They wanted to go to the beach and I said "There's a pool right here." That fell on deaf ears. Just as they left, the pool guy shows up. He told me his name was Rocco. I said "I don't care, take off those shorts!"

It took his buddy's hot grandma to pop his cherry

Deflowered by a Widow

When I was younger I had a good buddy named Eddie who lived with his widowed grandmother, a lady about 50 I'll call Vivian.

She was a slightly plump woman, with graying hair and sparkling blue eyes and a ready smile. She had a big wiggly ass, meaty legs and hips, and huge tits which seemed to jiggle when she walked. Sometimes Vivian was not careful how she sat, and I have gotten some pretty good looks under her skirt. Boy, she looked nice and warm and white up in there too.

One day I walked home with Eddie and we sat down to watch some TV for a while. Anyway, I needed to go and take a leak. So I went to the bathroom and just pushed open the door, and then I stopped and stared, my heart leaping.

Vivian was standing there, having just emerged from the shower. She was bare-assed naked, drying herself. My mouth agape, I took it all in: her melon-sized tits; the big light-brown nipples; her full creamy-looking thighs and hips; her great forest of thick, dark hair nestled at the center of her thighs.

"Oh!" she said softly. It was not a sound of embarrassment; it was simply a sound of surprise at being interrupted. Almost lazily, she drew the towel around herself and hid behind it.

"'Excuse me, Vivian," I stammered, backing away, my face hot. I went back to the living room and sat down again. "I just walked in on your grandmother," I told my friend. "She was undressed."

"Oh, don't worry about that. I'm sure she's fine," he laughed, not even looking away from the TV.

When Vivian came into the room she was fully dressed. She kept glancing over at me and grinning, not a bit embarrassed; and to her amusement I kept getting redder.

A few days after that I was over at Eddie's again. When he left the room for something, Vivian used that time to come up close to me, her big boobs nearly touching my chest. "You're really cute, Dave," she whispered. "You're such a nice-looking young man. You do things to me…"

Then one day Eddie went away for a month, and the first Saturday he was gone I got a call from Vivian.

"Dave, Eddie's gone away for a while and he forgot to carry out that bundle of junk in the basement," she cooed into my ear. "Would you be kind enough to come over and take it out for me? Just come on in."

Before I could hang up the phone, I jumped in my car and raced over to her house. I went in and found the house quiet. I stood for a few seconds, not knowing what to do. Then I heard her call my name.

"I'm in the bedroom, Dave. Lock the door behind you and come in here for a moment," she said.

I did as I was told and went to the bedroom doorway and peered in. I saw Vivian in bed, the covers just barely hiding her big brown nipples. And they were sort of drawn to one side, allowing one bare hip and the entire length of one creamy leg to

"I'm in the bedroom, Dave. Lock the door behind you and come in here for a moment," she said.

BLAIR-NTS-09

show. Obviously, she was naked under the covers and did not mind that I knew it.

She beckoned to me and I went to the bed. My dick was already growing hard and was beginning to glow. She took my hand and I sat down by her naked hip. I gulped hard, fighting to keep my eyes on her smiling face. I was still a virgin, having never even seen a naked woman in the flesh.

"You seem to be a bit nervous, Dave. Are you okay?" she murmured.

I gulped again, shaking my head, suddenly unable to speak. I looked down quickly, then back up. Both big light-brown nipples were peeking out; I had to tear my eyes away from them. Apparently Vivian had not noticed the slight slipping down of the covers, yet I could not be certain. I wanted to look at her ample breasts.

"Such a handsome young man," she was saying, her hand caressing my thigh, dangerously near my bulge. "I bet the girls fight over you all the time." Her voice dropped to a whisper. "I bet you have fucked every girl in your neighborhood.""

"No I haven't, Vivian," I said admitted. She would laugh if she knew that I was a virgin.

"Never?! She exclaimed. "You're a virgin?"

I gulped yet again, and nodded. I felt her fingers close over my bulging cock and I jumped, gasping, my own hand flying down to hers. She chuckled softly, her eyes dancing.

"Well, well," she cooed, squeezing gently. "Something has grown all big and hard and throbbing, hasn't it?"

Then I felt her undoing my buckle, felt the release of my zipper. She reached into my jeans and drew out my rigid, throbbing, surging cock, holding it in her gentle hand, smiling.

"Oh, how sweet it looks, Dave," she said. "How big and hot."

I was on my feet and she was sitting there. I was stark naked! She was ignoring the fact that the covers were gone and that she was also nude. She was sitting on the edge of her bed, her eyes racing here and there over my body, devouring me, oohing and ahhing to herself.

Then my hair stood on end as her hot, wet mouth closed over the head and sucked firmly. My knees nearly buckled as she released the suck, only to draw hard on it again with her lips. Then she let go of it and lay back, her huge tits draping themselves over her chest.

"I'm going to suck the knob off that thing, baby, but first I want your cherry," she grinned. "Lie down with me."

Suddenly I was in her arms and she was raining kisses all over my fevered face, panting and whispering all kinds of nasty things to me. Her fingers raced here and there, over my back, over my ass, fondling my balls, my dripping cock.

At some point I began to return the caresses. I ran my hands over her smooth back, over her great tits, her arms and legs, then rubbed and petted her big hairy cunt, feeling the long lips and equally long crack. I played with her big bare ass, and then hurried back to her pussy again.

Her legs were open in welcome to my curious fingers. I moved down her naked body, heading toward her pussy with my eager face. I had no idea what I would do once I got there, but I knew that I had to taste her pussy. I had to!

"Oh no, you don't, sweetie," she panted, pulling me back up. "I intend to show you all about eating pussy, but that comes later. Right now I want you to fuck me. I want that dick of yours so badly it hurts. Now, come over here and get on top of me."

She was sitting on the edge of her bed, her eyes racing here and there over my body, devouring me, oohing and ahhing to herself.

BLAIR-NTS-10

It had come over me almost before I knew it. There was the swelling, the sudden gushing, jerking and shooting directly into her belly while I lay stiffly between her great thighs...

I crawled on top of her and between her wide open thighs. I think I was still in a state of shocked disbelief as her fingers closed around my dick, guiding it toward her big cunt. For the first time in my life I felt my cock go sliding down into a wet, slippery vagina, skinning itself all the way back.

Again my hair tried to stand on end as I felt it going deeper and deeper into her scalding cunt. I felt it pulsating warmly along the length of my tool, felt her big satiny thighs clasping my waist, her belly pressing mine, felt her warm breath puffing into my face. At last I felt my mound crushing against her big furry one.

"There," she breathed, her big arms hugging my neck. "Doesn't it feel good, Dave?"

"Vivian!" I wheezed. "I can't take this!"

"Does it feel like you want to squirt, baby?" she whispered, her eyes shining up at me. "Go ahead then. Don't even try to hold back. Just let it go, honey, let it go. Don't even try to hold it. Oh, yes, yes! That's right, honey. Oh, yes, honey, let it go. That's right, baby."

It had come over me almost before I knew it. There was the swelling, the sudden gushing, jerking and shooting directly into her belly while I lay stiffly between her great thighs, gritting my teeth, fighting to keep from going insane.

"Now, wasn't that fun?" she whispered, beaming happily up at me.

I grinned back, gulping once more. I had fucked her! I had fucked Vivian! I had actually come inside her! She saw my intrigue, my delight, and laughed softly up at me.

I spent about five hours with Eddie's grandmother that Saturday, and neither of us bothered to put on a stitch of clothes. I fucked her again a while later and she let me lick her pussy for a few minutes to satisfy my curiosity. Finally I fucked her a third time, then drove homeward. I was elated! I pooped my cherry!

As the days passed I continued to visit Vivian. She taught me the fine art of eating pussy, and I fell in love with that. She showed me the wondrous sensation of getting my dick sucked until my hot semen jetted into her hungry mouth. And we fucked and fucked. I really enjoyed fucking her because of the way she would pant and squirm under me. It was real easy to make her cum; she would go off like a volcano at times, crying out and sobbing.

She even let me stick it up her big ass a few times, and laughed softly when she felt me spurting into her asshole. "My god, is that thing always hard?" she chuckled one time when I whipped it out and shook it at her.

It was about a week before Eddie returned from a summer job out of town when I took a ride over to visit Vivian for one of the few remaining times. My mother stepped out onto the front porch, and asked me where I was going. "Over to see Eddie," I replied nonchalantly.

"But Eddie's been away for nearly a month, David," she said. "And Vivian's been alone all that time."

I mumbled something and drove off, my face warm for some reason.

"Go have fun," my mom called out softly to me.

I glanced over my shoulder to see her standing there, her fingers pressed to her lips to hide her laughter. My face really did flame then. She knew why I was going over there! She had probably known all along, too.

Soon enough Eddie came home, and I never got to be alone with Vivian again. But, I will never forget her and the things she taught me.

Paige Ashley

Paige's phone rang. It was the detective again. "Ms. Ashley, I'd like to have you back at the station for some additional questoning." To the dick's surprise she arrived to the station without her bra or panties. But it wasn't till she was on the polygraph being gently squeezed by the machine that her body started moving.
